

## Report on the outcomes of a presentation and participation in a ITC Conference<sup>1</sup>

**Action number: CA20108**

**Grantee name: Milica Vasić**

### **Conference Details**

Conference title: 35<sup>th</sup> International Geographical Congress 2024

Conference web-page: <https://igc2024dublin.org/>

Conference venue<sup>2</sup>: In-person participation, the conference took place at the Dublin City University (DCU), The Helix, Dublin, Ireland

Conference start and end date: 24/08/2024 to 30/08/2024

### **Accepted contribution details**

Title of the presentation: Using Microclimate Monitoring Platforms In The Assessment Of Urban Thermal Issues

Type of the presentation: oral presentation

Co-authors: Stevan Savić, Jelena Dunjić

Other details of the presentation: Session C.05: Climatology: Urban climate 2, 26th August 2024, 10:30 - 10:45.

### **Outcome of the conference participation**

The presentation was held at the DCU Business School to an audience from diverse fields of research, with most researchers in the field of urban climate, among others, due to the diversity of the conference. Following the presentation, there were a few questions about the parameters used in the assessment of thermal issues and in which additional cases mobile carts could be used. Furthermore, audience members were invited to join the FAIRNESS Cost Action. The discussion continued between sessions, where ideas and future work were presented to researchers from Germany, Japan, China, Spain, the Czech Republic, Portugal, and Australia. Moreover, new contacts were made, including some journal editors and researchers interested in future collaborations.
